

8TH GRADE CAREER CLUSTER SELECTION
EXPLORE YOUR FUTURE!!!!
www.ihaveaplaniowa.gov

October, 2010

Dear Davenport Community School Parent/Guardian(s):

This letter is to inform you that all eighth grade students in Davenport Schools are in the process of completing a career exploration and planning unit in their Language Arts class with the final product being a four year plan academic/career plan. It is an Iowa Department of Education requirement that all 8th grade students in Iowa use the web based program www.ihaveaplaniowa.gov (IHAPI) to complete their academic/career plan.

The Department of Education also requires that a parent/guardian review and approve the academic/career plan. Students may change their mind at any time on their academic/career plan – that is natural and expected. Students may also change or add a career cluster of interest to their portfolio.

For more information on career clusters, please visit the Davenport Community Schools website at http://www.davenportschools.org/curriculum/ACP.asp.

When your student completes their 8th Grade Guideway, a letter is automatically generated through the web based program and sent to the email address your student has entered as your email address. This letter contains instructions on how to access your student’s portfolio.

DID YOU KNOW: www.ihaveaplaniowa.gov can be used by anyone who wants to explore college or career information throughout the United States. Please share this information freely or use the site tools yourself. It’s free!

Please sign your student’s academic career plan and return it to school.

Thank you for your support.

The Davenport Community Schools Intermediate Counselors
